

**National League
for Nursing**

ARE YOU LOOKING FOR STUDENT TEST PREP MATERIALS

Preparing for your NLN Pre-Admission exams is the key to success:

NLN Pre-Admission Exam (PAX).

The National League for Nursing has developed individual study material for your upcoming Pre-Admission exam. The PAX Prep products will consist of three (3) content exams that can be purchased individually: Verbal, Math, and Science.

Our system allows you to focus on your areas of weakness by only purchasing what you need instead of having to purchase all three (3) content areas.

Option 1: One (1) time use

This is a one-time simulated test experience with a timer in the content of your choice. A % correct score is provided; an overall composite score will not be provided as the composite score reflects performance on all three sections combined.

Option 2: 60 days of unlimited access

This option will provide you with 60 days of unlimited access to our questions bank in the content of your choice which includes PAX study strategies and a content-specific review guide (PDF).

Corrective feedback is provided after the completion of a practice set of items, This includes a % correct score; however, an overall composite score will not be provided as the composite score reflects performance on all three sections combined.

All practice exam can be purchased in your student account.
